

K-LOVE is very important to my family and community. K-LOVE provides music which is inspirational and safe for all ages to listen too. Other radio stations often have music and talk shows which are not appropriate for children and Christians in general. If K-LOVE is displaced by an LPFM broadcaster which provides other programming my family and community would be negatively effected. K-LOVE helps my family get through each day with spiritual inspirations and postive songs that help myself and my family remain true to our Christian beliefs. Our community would suffer greatly because K-LOVE witnesses to thousands of people in my area and around the world that otherwise would not hear God's word and love. K-LOVE must remain on the air in order for my family, my community, and others throughout the US to hear positive, encouraging music that speaks God's word. Please allow K-LOVE to remain on the air. Thank you!
